Well, well, what next? Miss Annette Kellerman in moving pictures. What do you think of it? It is so, for her name heads the picture shown at the Comique. In music halls and the big vaudeville theatres, Miss Kellerman commands the highest salary every paid to a single vaudeville entertainer and is regarded as one of the most potent box office attractions ever presented, to which fact they gave legal testimony when rival managers sought for her services last spring. In addition to being one of the most perfectly formed women who ever trod the stage, Miss Kellerman is singularly versatile, for she is a champion swimmer, a diver of exceptional ability, one of the best diabolists in the world, and a physical culture expert of note. In this series of pictures, all of her gifts are exploited to the greatest advantage. The high diving scenes are taken at the seaside. Those most familiar with her public appearance declare the pictures to be a vast improvement on her regular act, as the physical disadvantages of the stage are overcome.

New Arrivals Every Day

We are now receiving by nearly every New York express, new things for the garment department. The things that are interesting earnest buyers at the present time is Long Coats. These we are receiving in some new and very attractive models both in colors and black. The only way to do this is to be in closest touch with the market, and know what the newest things are when they come out.

Ladies' Colored Coats

We have just received by express a line of colored Coats that is sure to appeal to you as the proper thing. These are new models we ordered on our recent trip to New York. They are Coats that have got the warmth as well as service, and the price is small for the quality.

A new heavy Grey Coat in a new weave of cloth is made in the new fitted lack style with plaids on side, has a deep collar finished with more silk; is a long full-skirted Coat of unusual worth and is new.

The new green shades are very good and are what the trade is calling for. Here is a line of heavy Coats with the new high collar. Coat is self-lined to waist and is made in the latest semi-fitting style.

In the plain Broadcloth Coats, such as we have sold so many of this season, we have some new models that are extra good, as they have a flannel interlining, making them as warm as the heavier cloth models. See them.

Ladies' Black Coats

Here are some Coats in black that are entirely new in design, and the cloths are broadcloths and heavy ruff cloths. These are the popular cloths of the season.

See the new Black Broadcloth Coats with a flannel interlining. These are Coats made of a fine chiffon broadcloth, with a Skinner's satin lining and a heavy flannel interlining, and are exceptional values.

At \$6.75 is a good value in a Black Coat. Same is made of a good weight melton, is lined to the waist, and quality is very good.

At \$10.00 is a Coat we have just received; is made of a heavy coat chevot of a fine glossy finish, is lined to waist, and has a velvet collar.

In the better Coats from \$12.50 to \$25.00, we can show you the best line we have ever shown. Here are Coats of a design and style that will appeal to you as being a little different. See the special Coat for stout ladies.

Ladies' Furs and Fur Coats

This weather is the kind that makes us think of warm Coats and Furs. Our line is now complete in every detail.

In Fur Coats the pony is the Coat that is among the best of the season. These we are showing in all the popular lengths and in the qualities that we can guarantee in every way.

Ask to see the forty-five in Pony Coats we are showing. This is the Coat that is especially good for a street and driving Coat, and is a Coat that has got the service, as well as warmth.

One of the best values we are showing, a Coat that looks like a fine blended squirrel is a marmot. This Coat is one that will wear much better than the squirrel and yet it looks nearly as well.

In the Electric Seal Coats we have some extra values in a couple of Coats carried from last season. We also have some new this-season models that are the best we have ever shown. See this line of Fur Coats.

The Elite Glove Fitting Petticoat is the Petticoat that fits the hips like a glove, has no placket to gap, and comes in all grades, \$1.00 to \$12.00.
